EXPERIENCE

CSU: Monterey Bay — *Graphic Designer*

SEPTEMBER 2021 - MAY 2023

I used design software to create graphics for university departments and helped to both market and run events.

Conejo Valley Unified School District — *Custodian*

JANUARY 2021 - AUGUST 2021

I worked independently and as a team to maintain cleanliness and solve problems as they emerged.

Buffalo Wild Wings — *Host*

SEPTEMBER 2019 - MARCH 2020

I was responsible for greeting customers, taking orders, and assisting other team members.

EDUCATION

CSU: Monterey Bay — *Communication Design B.S.*

AUGUST 2019 - MAY 2023

I graduated in May with a major in communication design, focusing in web design with a minor in Computer Science.

PROJECTS

Otterlands— *Concert Branding & Marketing*

I created all of the marketing material for an on campus concert at CSUMB, including print and social media.

The Odin Project— *Web Development*

I followed the Odin Project to sharpen my skills relating to web development. I learned technologies like React, Node, MongoDB, and more.

SKILLS

Design Software (Adobe Suite, Figma, Canva)

Web Development

Office Software

Project Management Software

VOLUNTEER

Peninsula Pilates Project -

I updated the website of a nonprofit, the Peninsula Pilates Project, using Wix. I also created a new brochure for their use.

Tombleson Inc. -

I was part of a team that completely redesigned Tombleson Inc's. website using WordPress.

ABOUT ME

I'm interested in all things related to technology and design! Some of my current hobbies include 3D printing, drawing, reading, and video games. I'm also learning to play the piano.
